**SWIMMING POOL ADJUSTMENT
REQUEST FORM**

This form must be completed before filling your swimming pool if you are requesting an adjustment for the wastewater charges portion of your utility bill. Wastewater consumption will be reduced based on the gallons used or the pool dimensions.

The following rules and restrictions apply:

- Request form must be completed.
- Customer pledges not to empty the pool into the sanitary sewer system.
- One adjustment per 12-month period.
- Must give at least 1 weeks' notice of intent to fill pool.
- In the event that a failure would happen, causing the pool to be filled a second time, proof of said problem must be given for a second adjustment to be considered.
